U.S. Industrial
Fabrics Institute

The U.S. Industrial Fabrics Institute (USIFI) is a coalition of United States specialty fabric manufacturers and users. USIFI develops and hosts the Outlook Conference in partnership with the Narrow Fabrics Institute (NFI). It monitors and advocates for member positions in both legislative and regulatory issues in international trade, and hosts an annual lobby day event in Washington, D.C. The United States Industrial Fabrics Institute provides a network to exchange information, solve common problems and develop mutually beneficial relationships.
